Infrastructure Dialogue 2017

Save the Date:

28th - 29th June - Frankfurt, Germany

The third International Infrastructure Dialogue 2017 will take place on the 28th – 29th June in Frankfurt, bringing even more decision makers together for interactive sessions & industry summaries.

June 2017

28-29

Senior experts, including investors, lenders, developers, asset owners and policy makers will be discussing the latest global trends in infrastructure.

Moreover, ever more leaders are requesting to participate in a series of 1:1 meetings in the exclusive Dialogue Club.

Some of the key-themes will be 2017:

1. New mechanisms for Infrastructure investors – How to make projects bankable, speed up processes and create new markets?
2. Market conditions & defining a new role for banks – just lenders or intermediaries & advisers?
3. Investor's Deals – what is in the Infrastructure-pipeline and how can deal flow be secured?
4. Smart-Cities – Investment potential or reaching for the stars?
5. Investors in a high price environment–How do investors respond?
6. Debt investments
7. Deal flow – How to best identify good quality assets globally?
8. Fundraising & LPs/investors – have expectations shifted?
9. Energy Infrastructure – What areas offer most potential?

These and many other topics will be discussed in Frankfurt. Save the dates and join us for the international Infrastructure Dialogue on the 28th – 29th of June 2017 and find out more.

The program is now in production. Please get in touch with us if you wish to be included (see contact details on top and below).

We look forward to seeing you in Frankfurt.
